<PROJECTS>

<PROJECT>

Hotel Del Luna - Responsive Hotel Website

<DESCRIPTION>

Designed and developed a fully responsive hotel booking website, "Hotel Del Luna," using HTML, CSS, Bootstrap. The website features an intuitive user interface, seamless and navigation. Integrated Google Fonts, Font Awesome icons, and Bootstrap components to enhance design aesthetics and user experience. Ensured cross-browser compatibility and mobile responsiveness for optimal performance across all devices.

</DESCRIPTION>

</PROJECT>

<PROJECT>

Petal Whisper – E-commerce Floral Website

<DESCRIPTION>

Designed and developed "Petal Whisper," a visually appealing and user-friendly e-commerce website for flower shopping. Built using HTML, CSS, and Bootstrap, the website features a responsive layout, a dynamic product catalog, and an intuitive navigation experience. Integrated interactive elements such as shopping cart, and social media links to enhance user engagement. Ensured a seamless user experience with optimized performance and cross-browser compatibility.

</DESCRIPTION>

</PROJECT>

<PROJECT>

Catering Services Website – Responsive Business Website

<DESCRIPTION> Designed or

Designed and developed a visually appealing and fully responsive catering services website using HTML, CSS, and Bootstrap. The project includes adynamic navigation system, and well-structured sections for showcasing services, menus, and gallery images. Ensured mobile-friendly design, smooth user experience, and cross-browser compatibility for seamless accessibility.
